

GENERAL INFORMATION

What is the RPD Challenge?

The Rapid Prototype Development (RPD) Challenge is a hands-on Hackathon where teams will create a prototype with limited resources. Mentors will give valuable guidance and encourage participants to squeeze their brains to tackle real-life issues through creative solutions.

10 teams (max) will be able to participate. Join either as a Team or as an individual!

QUALIFICATION

Undergraduate, Graduate Students, Researchers, Industry, Policy and Decision Makers from Asia and Oceania Regions.
